

LUMINOUS ARCTIC

# FINNISH OATS

LATITUDE 60°N FINLAND

## Luminous Finnish Oats – the Arctic Treasure for You

Find and enjoy the excellence of Finnish Oats. Explore the pureness and superior quality generated by the Arctic nature and perfected by Finnish expertise.

60° NORTH

### Loaded with the passionate Arctic midnight sun and tempered by boreal mother nature

The uniqueness of Finnish oats rises from its Arctic growing conditions. The entire cultivation area of Finnish oats is located north of the 60th latitude – just like Greenland or Alaska! The enormous amount of light, clean waters and freezing winters provide the special qualities of our oats.

### Oat innovations for wellbeing

We are specialized in oats research, innovative R&D and the development of oat-based products which promote your health and wellbeing. Discover the newest ideas and trends how you can utilize our excellent oat expertise.

### Strong Arctic beauty that is easy to process

Finnish large and beautiful oat grains are easy to refine. Our oats are recognized for their finest milling properties, high milling yield and groat percentage, combined with excellent storage stability. Become inspired by the extremely process-friendliness of it.

### Wide supply of oat products and ingredients

Our offering of oats includes innovations that celebrate the health benefits of oats. We offer food-grade and fodder oats, oat-based ingredients and ready-to-eat oat products for a modern lifestyle, as well as organic and gluten-free products. Be surprised by the wide variety of the selection.

## Full traceability, non-GMO farming and modern technology

We appreciate the reliability and high quality standards in Finland. The entire oat production chain is controlled. No GMO is used. Food hygiene, ethical and environmental viewpoints are taken into consideration when we farm and process our oats. Thus, we work to ensure that you can enjoy safe Finnish Oats.
